## THE PROGRAM

Copenhagen Business School is the largest business school in Northern Europe. The narrow streets of the medieval quarters are lined with old, well-preserved houses and there is a mixture of small specialty shops and big department stores in the shopping area around Strøget, the world's first and longest pedestrian street. Water is the natural element of Copenhagen—the name in Danish, "København," means "the merchants' harbor" and reflects the city's maritime history.
