

DENMARK

# Denmark Technical University

## LOCATION

Lyngby, Denmark

## REQUIREMENTS

3.0 GPA, Junior Standing and/or completion of introductory coursework in field of study

## DURATION

Semester/Year

## LANGUAGE OF INSTRUCTION

English, Danish

## THE PROGRAM

The Denmark Technical University (DTU) is Denmark's leading center for engineering education and research. DTU also operates at an international level in a wide array of fields such as biotechnology, communications technology, nanotechnology and the development of technologies for sustainable energy. DTU is located just 10 kilometers north of Copenhagen in Lyngby, so the charm and city life of Copenhagen is just minutes away by train. Lyngby has been known to be one of the greenest areas in Denmark, with many parks and pathways throughout the city.

## AREAS OF STUDY (IN ENGLISH)

Acoustic Technology, Automation, Biochemistry and Nutrition, Biotechnology, Chemical Engineering, Chemistry, Civil Engineering, Computing and Mathematics, Environmental Engineering, Geology/Geotechnical Engineering, Hydrodynamics and Water Resources, Naval Architecture and Offshore Engineering, Physics, Solid Mechanics and more.
