THE PROGRAM

With a history extending back to the 1920's, the University of New England has a well-earned reputation as one of Australia's great teaching, training, and research universities. It is located in Armidale, roughly half way between Sydney and Brisbane. Students have found that Armidale has most of the facilities and benefits of a metropolitan center with the advantages of a more relaxed and friendly environment. The city boasts exceptional music, theater, restaurants, cafes, pubs, entertainment and sporting facilities, and a great range of shops to cater for all tastes and budgets.

UNE continues to uphold a reputation of excellence both in the classroom and in the residence halls. As a Resident Advisor at UNE, participants are responsible for supporting and advising their fellow students. They also play a key role in the orientation of new students to the campus. As an exchange student in a leadership role, participants must ensure that they serve as a positive role model at all times. They must acknowledge that they are representing UNE as well as WSU.
