

Certificate of Finances 2023-24
International Undergraduate Students

Washington State University (WSU) requires that all F-1 and J-1 visa applicants provide proof of finances (money) through any combination of personal or sponsored funding. The amount of money to be shown is the estimated total of tuition and other expenses for one (1) year for undergraduate academic study at WSU. **Note:** Proof of finances is not required for admission to WSU's Global (online) Campus.

- If you will provide finances from personal or family funds, a bank letter with sufficient funding is required. The bank letter must be in English and clearly detail the account owner and available funds.
- If an employer, government, or organization will provide funding, a signed financial guarantee letter from the sponsor detailing amounts and length of sponsorship is required. This Certificate of Finances form can accompany the guarantee letter from the sponsor, but not replace it.

All personal bank and sponsor letters must be dated within six (6) months of the date of confirmation.
