

Global Cougs Digital Badge Prior Experience form

Name _____

WSUID _____

Badge you are pursuing _____

One of the requirements to earn a Global Cougs Digital Badge is to engage in three elective experiences that are global in nature. Instead of engaging in any of the elective experiences in the [Digital Badge Connect](#) database, some students may wish to apply a prior experience they have already had that is applicable to one of the six badges. If this describes you, please answer the questions below and submit to ip.globallearning@wsu.edu.

1. Was your prior experience at least one hour in length?

Yes

No

2. Describe how your prior experience is related to the badge you are currently pursuing. You can refer to the [Global Learning Value Rubric](#) for definitions of all six badges.

3. Please describe your prior experience in as many words as possible.

Thank you! After submitting to ip.globallearning@wsu.edu, expect to hear back in no more than 2-3 weeks as to whether your prior global experience is accepted.
