These are WSU equivalencies. Units reflect semester credits.

Courses meeting UCORE.

Non-transferable courses.

Departmental elective. 1XX/2XX = lower credit. 3XX/4XX = upper credit.

General elective.

Example of a repeated course. F grade is not included in credit or GPA calculation.

When 2 courses are required for equivalency, grade earned in the 2<sup>nd</sup> course.

When 3 courses are required for equivalency, grade earned in the 2<sup>nd</sup> and 3<sup>rd</sup> courses.

The Year/Term of the Incoming Course with Units Taken and grade from the source institution. The Grade Input is the grade earned for the course with a leading "T", which means "Transfer Grade."

Used for Washington CTCs with a DTA.

Each institution has a separate model number.
