

**WSU International Programs
Certification of Financial Status**

*Instructions: Describe your situation as it pertains to the following sources of funds.
Add additional pages if you need more room than is provided.*

ASSETS (Income)

1. Previously received or expected Scholarships, Awards, Grants, Assistantships, and Fellowships while at WSU. List amounts for each and when they were (will be) received.

2. Personal funds including checking account(s), savings account(s), stocks, bonds, mutual funds and any other financial instruments, both in the USA and in other countries. List amounts for each.

3. Family funds as described in No. 2 which are available to you for your education. List amounts for each.

4. Net monthly income in USA (attach documentation).

5. Have you filed an income tax return for the past year? ____ If so, attach a copy of your tax return.

6. All international students complete a Financial Certification form when they first apply for admission indicating adequate financial support to attend WSU. Please state any specific financial circumstances that may have occurred which negatively effected your ability to fund your education as it relates to your original Financial Certification form and/or expected funds in No. 1, 2, or 3 above.

(over)
